

This Sunday, July 12, we will be holding outdoor in person worship, along with the livestream. The full safety plan will be sent out on Friday with "This Week at Trinity"-- but we wanted all to have this info:

- The building will be **open for restroom use**, but we ask that use be minimized and that you use the disinfectant cloths provided to clean up after use.
- We will **not be handing out bulletins**, so if you are coming in person, **please print the bulletin out ahead of time**, or plan to view from our website on your phone or tablet. (the bulletin will be sent out as usual on Friday)
- *Please let us know if you're coming, to help with space planning: send an e-mail to rsvp@scotiatrinity.org*

There does seem to be a strong possibility of rain that day; we will decide by Saturday evening whether to go ahead or not; if it rains, worship will be livestream only, and we'll try again next week!

If you have questions, please ask!
